

# Look + Listen Pty Ltd

## Job advertisement

Look + Listen wishes to recruit a Senior Installation Technician who has at least 4 year's experience in the installation of audio, video, home theatre and home automation systems within the residential and commercial sectors.

The successful applicant will be highly motivated, well presented, have an excellent customer focused approach and have an outstanding work ethic when working alone or within a team. We require applicants to have solid experience in soldering, programing and cable termination. In addition, applicants must hold a blue card, cabling and driver's licenses and have transportation to and from work.

Please include an up to date CV and recent references with your written application to:

Craig Samson  
Director  
6 Ascort Street  
Murarrie QLD 4172  
Email: [craig@lookandlisten.com.au](mailto:craig@lookandlisten.com.au)

Applications close on 31 January 2008.
